

LIST OF HOSPITALS/FAMILY MEDICAL CENTRES

Last updated: December 16

Please note that this list is provided for the information of Australian travellers and those needing medical assistance in Vietnam. Every effort has been made to ensure its accuracy but it does not purport to be an exhaustive list. While every care has been taken in preparing this list, the Australian Embassy or Australian Government cannot accept any responsibility for the ability or probity of the practitioners included, nor for the fees which they might charge.

Local Medivac companies

Medical evacuation requirements including any special local regulations.

Most western expatriates are evacuated to regional locations such as Bangkok or Singapore for any major injuries and most surgical procedures.

International SOS and Hanoi Family Medical Practice are the main two evacuation agents for travel insurance companies in northern and central Vietnam.
